

Enabling Environments Reflection Prompts

Special School Outreach Service (SSOS)

What is this showcase about?

A reflection tool developed by the Special School Outreach Service (SSOS) to support leaders. It is designed to help schools identify strengths, remove barriers and develop learning environments that support access, independence and progress for all learners.

Expect to see...

- A reflection tool for reviewing learning environments
- Key prompts on communication, regulation and independence
- How to identify and remove barriers to support inclusive practice
