

Creating enabling learning environments

Cotteridge Primary School

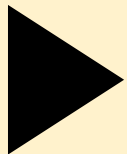

What is this showcase about?

Mrs Timmins, SENCO, explains how Cotteridge embeds visual timetables, Zones of Regulation and Kagan structures across the school. The focus is routines and responses that avoid stigma or isolation while upholding dignity, safety, belonging and communication needs.

Expect to see...

- A video on leading effective implementation of visual timetables, Zones of Regulation and more...
- Information about Kagan structures to aid inclusion
- A real example of one of the schools environment learning walks including aspects to look out for
